Read the following narrative:

After a while Kamal continued reading the next part of the story where he had stopped earlier. Here it is..

A few days later, the country mouse arrived in the town. He was surprised by the noise and the lights.

“Why are there lights even in the middle of the night?” he asked.

“This is the town,” his cousin replied. “Here there are lights even in the middle of the day.”

“And what is this dreadful noise that never stops?” asked the country mouse.

“That is the traffic,” the town mouse replied. “That is the noise made by buses, lorries, cars and aeroplanes.”

But the country mouse did not like it at all. “All this noise has made my headache;” he said. “Could I have some water to drink?”

“Why only water?” said the town mouse. “Look at what there is for you – ice

Task – 1 (Reading Comprehension)

5 x 2 = 10 M

Hope you too enjoyed the part of the story. Now you answer the following questions in one or two sentences

Read the following lines of a poem:

Geologists are finding cracks in our earth,
Saying, it's change – predicting its birth.

Archaeologists are digging up fossils and bones,
Saying, it's change – time for clones.

Yes, scientists are causing me great concern,
Giving us kids too much to learn!

Task – 6 (Reading comprehension) 5M

Answer the following questions

Who are the scientists described in the poem? (2M)

What is the concern of the speaker in the poem? (1M)

Write two pairs of rhyming words from the poem. (2M)

Read the following narrative:

The Science teacher of Z.P.H.S Isukapalli, Pendlimarri (M), Kadapa., announced Science fair details in the school assembly. Since then Sri Raj is thinking of making a nice exhibit for it. To his surprise his science teacher called him and said, "Dear raj, prepare a notice regarding the science fair to keep in the notice board."

Task – 7 (Creative Expression) 10M

Prepare a notice inviting names to participate in the science fair. The details in the notice may contain

- | | |
|--------------------------|-------------------------------------|
| ➤ Title of the programme | ➤ In charge teachers for each class |
| ➤ Date and Venue | ➤ Last date for submission |
| ➤ Concept of the exhibit | ➤ Prize details |
| ➤ Type of the exhibit | |

Sri Raj was made Science fair Organization in charge. So he has to take care of so many things. He has many ideas in his little brain. He thought of arranging the pictures of great scientists with a brief description of them in each room to inspire the visitors.

Task – 8 (Creative Expression)
